Professors in Business Administration (5 vacancies)

ESC PAU invites applications for the positions of Professors in Business Administration.

JOB REQUIRMENTS

Applicants should have successfully completed a Ph.D. , with documented excellence in teaching, as well as evidence of successful research in the area of their specialization. Fluency in English is essential and a working knowledge of French is desirable. Over and above lecturing and research activities the positions will involve running seminars and tutorials. Successful candidates will also be required to actively participate in student pastoral care. This last point is one of utmost importance at ESC PAU and our recruitment procedures will place an emphasis on ensuring that the successful candidates have all the skills needed to become an effective guide to their students, especially in the role of personal tutor. Applicants will be required to demonstrate they have gained experience in a corporate setting, through research and/or experience in a company, or as a consultant.

APPLICATION PROCEDURE:

Applications should include a letter indicating interest in the position, curriculum vitae, list of publications, Ph.D. thesis, as well as a description of teaching and research interests. A proven track record of quality teaching will also be required.

Informal enquires are encouraged and further information on these positions may be obtained from Jean-Pierre LAHILLE, Director of ESC.

Please email your CV and supporting documents to: jean-pierre.lahille@esc-pau.fr

EMPLOYER DETAILS:

The School is located in a beautiful part of the South of France, close to the Pyrenees, Spain and the Atlantic Ocean. ESC PAU is EPAS accredited by EFMD, and runs its own IRMAPE research laboratory jointly with Bordeaux 4 University. We offer successful undergraduate, specialist Master, MBA and Executive programmes, and have strong international academic alliances particularly in Sweden, India and the USA. Our vision is to be recognized as a foremost European entrepreneurial learning community dedicated to the creation, application and sharing of knowledge. We place special emphasis on the human dimension of management in a context of entrepreneurship and emerging ideas and countries.

The School is committed to diversity and equality of opportunity.
